## NEWSLETTER

**Dear colleagues,**

We are pleased to invite you to the [International scientific-practical conference “Problems and prospects of the Arctic zone development in North-East of Russia”](#), which will take place on 15-16 April 2015 in Anadyr, Russia, at the Chukotka branch of Federal State autonomous educational Institution of higher professional education “North-Eastern Federal University by M.K.Ammosov”.

The conference is organized with the support of the Government of Chukotka Autonomous region in the framework of the North-Eastern Federal University development programme from 2010 till 2019.

**The conference will cover the following topics (sections):**

1. Problems and directions of the industry development in the region
2. Environmental and socio-economic problems of the Arctic
3. Research and study of natural and biological resources, climate change and permafrost
4. Innovative and highly efficient technologies of life safety and nature management
5. Young researchers about the future of the Arctic

Conference languages: **Russian, English.**

We are planning to publish the conference materials in print and electronic media. Articles will be published in the scientific journal “Bulletin of the North-Eastern Federal University by M. K. Ammosov” (the journal is included in the List of HAC – Higher Attestation Commission, the RSCI system – the Russian science citation index system).

The conference is scheduled **full-time** and **part-time participation**.

**The certificate** will be awarded to the participants presenting their work at the conference.

### Conference participation requirements

To participate in the conference, please send to the organizing Committee the following materials by e-mail [svfu.chukotka007@mail.ru](mailto:svfu.chukotka007@mail.ru) with a mark “conf-anadyr”:

- the application for participation in the conference (file name: full name of the first author\_\_ application; for example: Ivanov I.I.\_\_ application);
- the text of the abstract or article (file name: the name of the first author\_\_ article; for example: Ivanov I.I. \_\_article).

### Key dates

-reception of applications for participation in the conference	to 01.03.2015
